## SEVEN DAY SONNET Issues Holiday Update

Set to Record New Album at Groovmaster Studios in Chicago, IL in  
January

Attention **SEVEN DAY SONNET** family!

“Wow, what a great year we’ve had, touring with the mighty **Sevendust, Adelitas Way, Nonpoint, Rev Theory, Eye Empire, Emphatic, Finger 11, Madam Adam, 3 Pill Morning, Pop Evil, Candlelight Red, Sugar Red Drive, Saliva** and many others!

Our first ever two pushes to radio with ‘Hapless’ and ‘Farewell To Good Days’ have kept us on the charts nonstop from March 1<sup>st</sup>, 2011 to now and we’re still going! That’s over nine months! All because Big Time Records (BTR) our fans and radio programmers believe in us!

Additionally, we have had several features and interviews in Guitar World, Revolver, MySpace, AOL Noisecreep, KiK Axe, Blabbermouth, Loudwire and so many more. The music video for ‘Farewell To Good Days’ was added to MTV, and we were featured with the one and only Lou Brutus on HardDrive Radio several times.

We landed so many incredible endorsements like the amazing ESP that totally hooked us up with our axes, Pearl with our drums, Promark with our sticks, Bogner, Mesa-Boogie, Spector, Toontrack, WB Gear, InTune, Big Bends, SIT Strings and Jaigermeister!

We toured pretty much nonstop from December of 2010 through December 2011 for our amazing fans that have now become family! Our **SEVEN DAY SONNET** “Seven Weeks of Christmas” promotion has thus far claimed Jessica Brown, Aslan Miller, Algeny Walker, Jennifer Folker and Robert Peterson as \$500 winners with two open spots for YOU still win as well!

But the most exciting news has yet to come; 2012 is going to be so incredibly huge that we’re dying to tell you but we just can’t spill the beans yet. We have huge tours coming, we have our best work yet to record and get your ear holes through our first ever full length album through Big Time Records (BTR). We have some huge house hold name bands and band members that are going to play on our new album with us! Yes, we have some HUGE bands that are going to jam right along with us on our new album it’s going to be awesome!

Big Time Records has secured worldwide physical and digital distribution through a major label to be named shortly as well. That means you’re going to see us at Best Buy, Wal-Mart, Target, FYE and on and on! We can’t wait to show and tell you what’s coming! Thank you so much for all the love and support you’ve shown us, there’s no way we could possibly do any of this without you. Please check our Facebook daily as we will be posting videos often taking you through the writing and recording process.

We wish you, your friends and the rest of your family a very Happy Holidays! 2012 is going to be an amazing year for all of us. Stay tuned!”

Best wishes,

**SEVEN DAY SONNET**
