**BANDHAPPY to Launch Registration Privileges on January 5<sup>th</sup>, 2012 –  
Join the First LIVE Online and In-Person Music Education Service this  
Thursday!**

**Two New Tutorial Videos for Students and Teachers are Available for  
Viewing Now!**

**BANDHAPPY**, the brand new and first LIVE online and in-person music education service, is pleased to announce the launch of registration abilities beginning at 11am ET on Thursday, January 5<sup>th</sup>, 2012. Lessons will begin on Monday, January 9<sup>th</sup> as students are activated into the system. The site has received thousands of requests from students seeking lessons so far, so be patient as **BANDHAPPY** is approving students on a rolling basis.

Teachers are still able to apply and can continue to apply at any time! Rules for application are currently on the **BANDHAPPY** teacher registration page. Hundreds of teachers have already signed on and are ready to teach! Teachers that have already signed on include Tosin Abasi (**Animals as Leaders**), Rich Redmond (**Jason Aldean Band**), Gil Sharone (**Stolen Babies**), Jeff Loomis (**Nevermore**), Ben Weinman (**Dillinger Escape Plan**), Mike Mowery (**Outerloop MGMT**), Chris Adler (**Lamb of God**), Willie Adler (**Lamb of God**), AJ Minette (**The Human Abstract**), Evan Brewer (**The Faceless**), Paul Waggoner (**Between the Buried and Me**), Rody Walker (**Protest the Hero**), Peter Wichers (**Soilwork**), Louis Cato (**Marcus Miller Band**), Spencer Sotelo (**Periphery**), and more.

There are two new tutorial videos available now on YouTube, one for teachers and one for students! The videos assist in walking new students and teachers through the registration process, as well as other important individual points like setting up a lesson, creating your profile, etc. You can view the teacher tutorial [here](#), and the student tutorial [here](#). New features will be announced soon, so keep your eyes (and ears) open!

**BANDHAPPY** is positioned to change the music world. Founded by **Periphery** drummer Matt Halpern, **BANDHAPPY** will reshape how music teachers and students connect in a first-of-its-kind music community. **BANDHAPPY** will offer either in-person lessons or online lessons anywhere on the planet via a custom-built, in-house video chat system.

**BANDHAPPY** offers access to one-on-one lessons – in person or online -- with the teacher of your choice, chosen from an impressive roster of professionals in every possible genre. **BANDHAPPY** is not specifically focused on just instrument lessons either; lessons will also include all areas of music business and production, as well. Anyone can apply to teach or take lessons with **BANDHAPPY**.

Musicians can use **BANDHAPPY** for instant access to a readily available pool of potential students, so they can teach whatever they want, whenever they want, wherever they want. **BANDHAPPY** makes it easy for musicians to manage their teaching schedules effortlessly, while still doing what they love to do and earn income even when they're out on the road. The touring musicians who created **BANDHAPPY** have made the entire process hassle-free for both students and teachers. Everything from scheduling to payment is handled seamlessly in one place, on their easy-to-navigate, user-friendly site.
