PROGRAM DESCRIPTION

Featuring an all-star award-winning cast, Lionsgate debuts *Hesher* on DVD, Blu-ray Disc, Digital Download and On Demand this September. Joseph Gordon-Levitt (*Inception*) leads the dark comedy in the title role, an unconventional loner who is more interested in pyromania than finding a job. Also starring Rainn Wilson (TV’s “The Office”), Devon Brochu (*In the Valley of Elah*) and Oscar® winner Natalie Portman (Best Performance by an Actress in a Leading Role, *Black Swan*, 2010), this dark comedy meets fairy tale was a film festival favorite – an Official Selection of South by Southwest, and nominated for the Grand Jury Prize at Sundance in 2010. Hailed as a “*delectably anarchic black comedy... refreshingly original*” (*New York Post*), the film features the music of Metallica. *Hesher*, featuring deleted scenes, outtakes, cast and crew interviews, a sketch gallery and more, will be available on September 13th for the suggested retail price of \$28.98 on DVD and \$29.99 on Blu-ray Disc.

Loud music. Pornography. Burning s*%t to the ground. These are a few of Heshher’s favorite things, and all to the soundtrack of Metallica and Motorhead. And they are what Heshher (Gordon-Levitt) brings into the lives of TJ (Brochu) and his father Paul (Wilson) when he takes up residence in the garage uninvited. Grief stricken by the loss of TJ’s mother in a car accident, Paul can’t muster the strength to evict the strange squatter and soon the long-haired, tattooed Heshher becomes a fixture in the household. Like a force of nature, Heshher’s anarchy shakes the family out of their grief and helps them embrace life once more.
