**INDESTRUCTIBLE NOISE COMMAND (I.N.C.)'s 'Heaven Sent...
Hellbound' Hits Stores Today**

Connecticut/New York thrash metal group **INDESTRUCTIBLE NOISE COMMAND** is pleased to announce today's release of their new album, *Heaven Sent... Hellbound*, releasing with Rising Records with distribution through Candlelight Records. The album is produced by world-famous record producer Fredrik Nordström (At the Gates, In Flames, Opeth) and the artwork is illustrated by famous artist Sam Shearon (Iron Maiden, Rob Zombie, Fear Factory).

INDESTRUCTIBLE NOISE COMMAND and Full Metal Jackie have teamed up to giveaway a special autographed DBZ Bird Of Prey FM Trans Black guitar in celebration of today's release! The guitar features a mahogany body, maple top, mahogany neck, ebony fingerboard, 24 frets, 12th fret arrow pearl inlay, EMG-81/85 pickups, Sperzel® tuners, nickel hardware, and a Floyd Rose® Original bridge. The contest began last Thursday and runs for two weeks at FullMetalJackieRadio.com. Head to [this link](#) to enter now!

Revolvermag.com exclusively unveiled the brand new music video for 'Swallowed' last week, cut from the band's new album *Heaven Sent...Hellbound*. Head to [this link](#) to watch the video.

INDESTRUCTIBLE NOISE COMMAND and KMFDM's Sascha Konietzko recently teamed up to remix and release the [Stripper Pole Remix](#) of 'The Good Bones Stay Down'. The original track can be found on *Heaven Sent...Hellbound*. Fans can listen to the remix and watch the video on the band's [YouTube page](#).
