“I feel honored for being selected by **JEREMY WAGNER**! He’s a metal celebrity and I always have been an underground performer. I’ve always loved LTD/ESP Guitars...and they’re hard to find over here in Argentina,” states contest winner Pablo Mingori Arrigó. “I was so excited being a contestant. Recording and producing this song and its video was an awesome experience too. This prize belongs to my endless hours of dedication and

discipline, but also belongs to my family (whose sacrifice are like mine)...they've always supported me, they are my power on my weak days (Erica, Martina & Santino I love you, you're my life). Not bad for a 40-year-old dentist!"
