LAMB OF GOD Announces European Tour

Return to India and Israel Also Confirmed

LAMB OF GOD today announces the confirmed shows for the European leg of the *Resolution* tour. The tour encompasses all of the major European festivals as well as a number of headline theater and club plays. The tour kicks off with the band's return visits to India and Israel, which were two highlights on the 2009/2010 *Wrath* tour. On their first visit to India, the band played to a crowd of 7,000 people and appeared on the cover of Rolling Stone India. The show in Israel gave the band an opportunity to see a country that not many metal bands have had a chance to play. The complete schedule of shows is below.
