More details on the start date of the auction will be announced soon.

“I can't put into words how excited I am to be working with **Victory Junction**,” states Morton. “The work they do is astounding. To have the opportunity to contribute to such an incredible cause is nothing short of an honor. I had the chance to spend some time at the camp recently, and to see what they're doing warmed my heart and soul. I hope anybody reading this will take a few minutes to check out this wonderful organization. Together, the camp, my wife and I are putting together some **BIG** ideas for the future and we are simply thrilled to be a part of it!”
