**PUi to Headline Nearly Sold Out Irving Plaza Show Next Saturday,
November 5th, 2011 in New York City**

PUi are set to headline what promises to be a provocative and exciting performance in their native city of New York, NY on Saturday, November 5th, 2011 at Irving Plaza. The show is already **NEARLY SOLD OUT**, also features openers Killcode, Anaka, P.T Grimm, Bound By Substance, and Viza, and is presented by Horns Up Rocks. The show will also act as a video release party for the band's recently filmed video for the track 'Army of Slaves', which was filmed as part of a shocking stunt in front of a surprised crowd atop a 33rd Street building at the intersection of 6th Ave and Broadway overlooking Herald Square.

Fans can purchase tickets for this **ALL AGES** event at <http://www.whoispui.com/nov5th/>. Along with tickets, fans will receive an after-party pass that will have information about when and where the after-party is taking place. The pass will guarantee entry to the after-party.

PUi released an EP in January 2010 entitled, *You Will Clap*, which is available for purchase now on [iTunes](#). The EP was recorded at Underground Studios and was

produced by band members Shuva and Brian Hosey. It is mixed by Kyle Kelso and mastered by Howie Weinberg. The band plans on releasing a new full-length album within the next year, entitled *Neo-Primal*.
