“Swindon youngsters **THE DEAD LAY WAITING** have crept into view from out of nowhere. Performers at last year’s Download Festival (and returning this year) and nominated for a heap of Best Band awards, this black-clad five-piece shred and headbang in the vein of Bring Me The Horizon.”

- **Terrorizer Magazine**

“Unleashing a hard as nails racket with ruthless precision, arriving on a storm of thunderous riffs and boiling vitriol.”

- **KERRANG! Magazine**

“Their music is more extreme – plunging, powerful and raw – with really grooving sense of grind at times that rears its head regularly. What you get is the sense of a band striving to be a little outside of the norm, and carrying it off well. *Almost Heaven* is a convincing way to begin what should be a triumphant march.”

- **Metal Hammer Magazine**
