**THE PARAMEDIC and AOL's Noisecreep.com Debut New Music  
Video for 'The Sixth Seal' Today**

**Set to Headline AMP Magazine's 'The Devil In Me' CD Release Tour  
with Crown The Empire & Call It Karma**

Dayton, OH metalcore experience **THE PARAMEDIC** and [AOL's Noisecreep.com](#) recently debuted the brand new [music video](#) for the track, 'The Sixth Seal', which is cut from the band's recently released free EP, *The Devil In Me*. The video is directed and edited by Graham Fielder. Head to [this link](#) to watch the video and read an [exclusive interview](#) with guitarist Jake Nolan by AOL's Carlos Ramirez.

"Making the video for 'The Sixth Seal' was fucking rad," states vocalist Michael Luciano. "We partied all night before, didn't go to sleep and then had to be on the set at 7 in the morning... it was quite the experience and we feel everything went great. Director Graham Fielder was awesome to work with and hopefully we'll get to work with him again in the future. We feel like Graham really knew what we were looking for and how to best capture **THE PARAMEDIC** for who we are."

**THE PARAMEDIC's** free EP, *The Devil In Me*, was self-produced by the band at their personal studio in Dayton, OH. With a revolutionary new sound, **THE PARAMEDIC** is ready to obliterate the airwaves, your stereos, and your ears. The band is currently looking for a label to call home.
