WuLi Records' THE REDD Releases Part 1 of the Upcoming Full-Length Album, 'Get It In Blood' – Four-Song Bundle Available Now

Chicago, IL hip-hop artist **THE REDD** and **WuLi Records** are pleased to announce the release of a four-song bundle-- essentially part one of **THE REDD**'s upcoming full-length album, *Get It In Blood*. The bundle is available today, and features the tracks 'Fire', 'Hush', 'My Dough', and 'Mi Amor'. A video was filmed for the track 'Fire' and features the **WuLi Records** in-house band of founders Louis Svitek and Ryan McGuire, as well as Troy Gourley and Chicago's Relly Rell on vocals. A making-the-video bit can be viewed on [YouTube](#) at [this link](#), and a trailer is available [here](#). Fans can purchase the album at [iTunes](#) and [Amazon](#) now.

THE REDD began rapping at an early age. Born and raised on Chicago's West Side, it was inevitable that **THE REDD** found his way into **WuLi Records** Humbolt Park recording studio. In 2006, thirsty for fresh, quality music, **THE REDD** and rapidly recorded 17 songs for his debut album, *Only Out For Destiny*, released in 2007.

THE REDD's influences go far beyond the standard rap genre, ranging from rap to metal, blues to soul, and R&B to reggae. **THE REDD** boasts classic hip-hop swagger and carefully blends old school grooves, rhythmic tribal elements, straight up rock and occasionally, some Latin flavor. The result is a perfect backdrop for the hard, in-your-

face rapping that **THE REDD** has pioneered. His rhymes are timeless and wise beyond his years, and his powerful rapping, resonant voice and musical expression create a distinct niche.

THE REDD has performed with some of hip-hop's biggest legends, including Ice Cube, Vanilla Ice, Twista, and the late legend Guru, a member of the hip-hop duo Gang Starr. **THE REDD** has credits on the soundtrack for the critically acclaimed movie, Blue Hill Avenue, directed by Craig Ross Jr., and starring Allen Payne.
